

Kornél Farkas

Hi,

I am a graphic designer with 8+ years of experience in designing and managing a wide variety of projects both in online and offline media. I have worked both for a small family company and an international corporation, and I have managed projects and designed both for printed media and for the web. I have a wide variety of skills and experiences, which gives me a unique edge to perform well in challenging environments, as well as to manage multi-disciplinary projects.

Professional experience:

Ling Design - Creative Artworker

2016 - 2018 June

Working with all major High Street retailers to create product and packaging designs by taking customer design briefs. Making product muck-ups. Creating print-ready artwork.

Airbus UK - Graphic Designer

2015 - 2016

Project management of re-branding. Responsibility for any signage related projects within Airbus UK.

Print Factor - Graphic and Web Designer

2014

Designing signs, shop fascias, window graphics, wall wraps, displays, banners, posters, flyers, menu boards, business cards, logos.

Perfact-Pro - Graphic and Web Designer

2013 - 2014

Book publishing, website maintenance (HTML, Joomla), creating weekly newsletters, creation of online and offline marketing materials.

Devron Impex - Graphic and Web Designer

2011 - 2013

Branding, creation of online and offline marketing materials, 3D visual designs, social media support.
